Dated: March 15, 2023

Subject: **STUDENT LEARNING OUTCOMES (SLOS) BASED EXAMINATION AT HSSC LEVEL**

As notified earlier, Secondary School Certificate Examination (SSC 2024) will be held Student Learning Outcomes (SLOs) based instead of textbooks based in the following subjects:

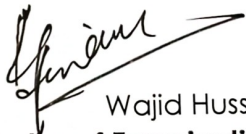

1. English Compulsory
2. Urdu Compulsory
3. Pakistan Studies Compulsory
4. Physics
5. Biology
6. Chemistry
7. Mathematics
8. Computer Science

Question papers will be based on the SLOs stated in curriculum of the aforementioned subjects uploaded already on our website (<https://examinations.kiu.edu.pk/>) for instructional / assessment guidelines.

A suggested list of supplementary / reference material is being given below along with their publisher details. The institutions are free in this regard to depend on any best/suitable instructional / reference material to accomplish the instructional needs of the stated SLOs. Furthermore, institutions will design their instructional and assessment activities / practices based on the SLOs and reference material to prepare their students appropriately. The SLOs based practices will help the students to discover new abilities, enhance their knowledge, expand an informed curiosity and an enduring passion for learning.
